February 2005 New Releases

<p align="center">Hello 2005!</p> <p>Thank you shopping here at G & G Music. We just returned from trade show in Anaheim, California. Have you ever wondered why the CDG's did not get released exactly in numerical order? It has to do with the copyright and royalty fees between Soundchoice and the publishers of the songs. The CDG part number gets assigned before Soundchoice has the reproduction rights worked out. Soundchoice has been around for twenty years and we have been a loyal dealer most of that time. Congratulations Soundchoice! Check the end of the newsletter for in-store coupon to save money on your next visit.</p> <p align="center">Dana Middleton</p>	<p>8896 - Hits Of Kiss - Vol. 1 [PA]</p> <ul style="list-style-type: none"> ○ Detroit Rock City - ○ Christine Sixteen - ○ God Of Thunder - ○ Deuce - ○ Domino [PA] - ○ Forever - ○ Calling Dr. Love - ○ I Was Made For Loving You - ○ Shout It Out Loud - ○ Lick It Up - ○ Cold Gin - ○ Beth - ○ Strutter - ○ Heaven's On Fire - ○ Rock And Roll All Nite -
